CAMERAS / LASERS / LIGHTS / HOLSTERS

2017

The image features two silhouetted figures in a dark environment. On the left, a person stands against a brick wall. On the right, another person is partially visible. A bright green laser beam originates from the right, passes through the person on the left, and extends towards the bottom left. The word "FASTEN" is overlaid in a bold, italicized, green font across the center of the image.

FASTEN

VIRIDIAN[®]
WEAPON TECHNOLOGIES

YOUR SEAT BELT.

Viridian[®] rebranded our identity to match our passion for innovation and thirst for evolution. Product development and the pursuit of all things awesome is what gets us out of bed each morning and keeps us awake all night long. Hold onto your hats, boys and girls. **Things are about to change.**

IMAGINATION HAS NO SPEED LIMIT

Viridian® is known across the industry as a pioneer in firearms technology; and no innovation is more well-known than our development of the market's first green laser sight. That's a legacy we're damn proud of — and most folks would rest on their laurels and kick back with a cold brew if they thought of it. Not us. Our wheels never stop turning. **We can't help but innovate.**

VIRIDIAN
WEAPON TECHNOLOGIES

NEW FOR 2017

Seeing is believing. Now law enforcement and legally armed citizens can instantly record HD video and audio of out-of-holster incidents to show the world "what really happened." Jump to page 11 for more intel.

ATION LIMIT.

E SERIES™

Essential gear for the Every Day Carry Kit. Powerful target acquisition yet affordable for the masses. Learn more on page 19 on what's ESSENTIAL.

TAURUS® CURVE

Innovation is what we do. When firearm industry manufacturers desire enhancements, Viridian delivers the future. See more about this next generation solution at www.ViridianWeaponTech.com/CURVE.

VIRIDIAN. **INNOVATOR** *OF TECHNOLOGY.*

What does everyone want? They want to know what really happened. Viridian® introduces the first weapon-mounted camera specifically designed for law enforcement, personal defense and conceal & carry.

FACT™ cameras have no bias. They record in stunning 1080p HD color for all the world to see — and the story they tell is black and white.

VIRIDIAN® FACT™ WEAPON-MOUNTED CAMERAS

Combining Viridian's proprietary INSTANT-ON® Activation with a state-of-the-art, weapon-mounted HD camera now closes the gap between fact and perception. In the event of an OIS [Officer Involved Shooting], body cams often miss the critical video footage when the trigger is pulled. FACT™ cameras record whatever is at the end of the muzzle. Period. So when the world demands to know the truth, simply click "play."

ORS

INSTANT-ON[®] TECHNOLOGY

THE CORE TECHNOLOGY OF OUR LASER PRODUCT IS EXACTLY WHAT MAKES THE FACT[™] CAM SO EASY, SO EFFECTIVE AND SO REVOLUTIONARY.

When you draw, it's on. INSTANT-ON[®] is the world's first automatic camera / laser / taclight activation system. Just pre-set your Viridian[®] product mode and slide your gun into an ECR[®] INSTANT-ON[®] holster. The instant you draw, the camera / laser / taclight ignites automatically — no fumbling with buttons, squeezing grips or changing your hold.

ECR[®] INSTANT-ON[®] IS THE FASTEST, SIMPLEST ACTIVATION AVAILABLE. SEE VIDEO AT WWW.VIRIDIANWEAPONTECH.COM

1. ECR[®] INSTANT-ON[®] FEATURE SHUTS OFF THE FACT[™] CAMERA / LASER / TACLIGHT WHILE HOLSTERED.

2. THE FACT[™] CAMERA / LASER / TACLIGHT INSTANTLY POWERS ON THE MOMENT YOU DRAW.

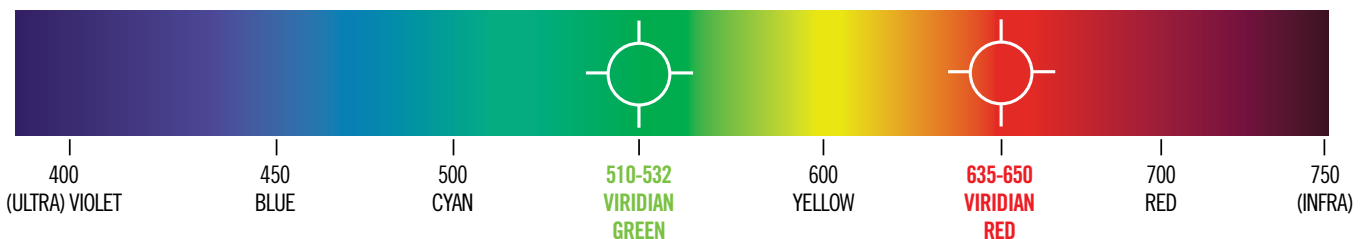

VIRIDIAN. TECHNOL

VIRIDIAN® OFFERS CHOICES WITH LASERS...

VIRIDIAN GREEN LASERS utilize a 510-532nm wavelength range near the center of the visible spectrum, creating an optimum targeting dot that's up to 50x brighter than conventional red, visible at all times, under all conditions, and effective at distances no ordinary laser can achieve indoors or outdoors.

VIRIDIAN RED LASERS utilize a 635-650nm laser wavelength range to generate the brightest, sharpest red dot possible, for more positive targeting, higher accuracy, and stronger intimidation in situations where lesser lasers may fade and fail.

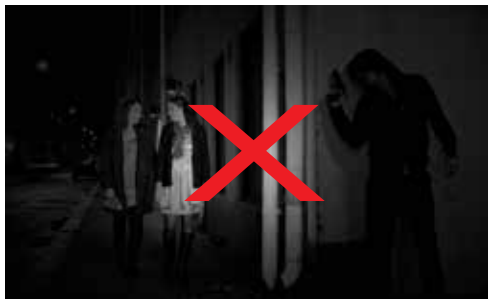

THE VISIBLE SPECTRUM WAVELENGTH IN NANOMETERS

OGY APPLIED.

RADIANCE®

TRADITIONAL BEAM

A WIDER BEAM FOR MORE COVERAGE

RADIANCE® TACLIGHT TECHNOLOGY expands light into a wider beam, revealing over twice the horizontal area of conventional taclights. With no wasted light above or below your target area, you get a better picture, faster discovery, smoother tracking and more positive targeting than any other weapon-mounted tool. RADIANCE® is standard on FACT Compact,[™] REACTOR® and C-SERIES® taclights.

FACTS.

Law enforcement is one of the greatest ways to serve a community, yet recent public scrutiny has made it an even bigger challenge for police to protect and serve. Viridian's new FACT DUTY™ is designed to provide crucial data when a deadly force incident occurs. This duty-grade, weapon-mounted camera provides HD video and audio at the critical moment when an officer is required to unholster their weapon. The FACT DUTY™ is so powerful, it may stop a riot before it starts.

FACT DUTY™	
WEIGHT	3.3 oz
RANGE	100 yards
CAMERA	2MP - 1920 x 1080 HD video capture Field of view lens: 85° Fixed focus at 15' 30 fps frame rate Low light recording performance Microphone - forward facing audio capture
VIDEO STORAGE	Capacity 2x battery life (Approx. 8 hours) Overwrites oldest files to ensure most recent are available for download Micro USB data port and cable for downloading video files Secure, onboard storage
BATTERY LIFE	4-hour recording time
TACLIGHT <small>CREE® LED</small>	500 lumens
CONSTRUCTION	6061 aircraft grade aluminum / High-grade polymer
EVIDENCE MANAGEMENT	ADMIN password protection for evidence integrity Compatible with third-party evidence storage systems
ACTIVATION / MODE	Automatic activation with ECR® INSTANT-ON® / user-defined operating modes Compatible with TACLOC® and other 3rd party holsters

ALL FACT DUTY™ CAMS INCLUDE INSTANT-ON® UPGRADE KIT

COMPATIBLE HOLSTERS

FACT DUTY™ fits in nearly all light-bearing holsters from Safariland® and BLACKHAWK!®. An INSTANT-ON® upgrade kit is included and easy to install.

EVIDENCE MANAGEMENT

The FACT™ file management system is compatible with aftermarket evidence services. ADMIN password protection ensures evidence integrity.

CONFIGURABLE SYSTEM

A variety of FACT™ accessories are available ranging from holsters, battery charging systems, evidence collection and management, spare batteries and INSTANT-ON® upgrade kits.

THERE ARE TWO SIDES TO EVERY AND THEN THERE

Legally armed citizens carry a firearm to protect their families, property and themselves. They also draw significant legal and public scrutiny if ever faced with the decision to draw their weapon. How can they best defend themselves in a court of law (and public opinion) when involved in a shooting? FACT COMPACT™. Viridian® introduces the first commercially available, weapon-mounted camera for your everyday carry kit. Its compact design mounts to nearly any weapon with a picatinny rail and is small enough for IWB and OWB holsters. INSTANT-ON® activation ensures fast-access HD video and audio recording is captured when you need it most. Don't leave home without it.

FACTTMMICRO

For those who legally carry and conceal a small pistol, self-defense situations can occur any time, anywhere. Off-duty law enforcement often carry these powerful yet compact firearms; but when alone in a mall or coffee shop, they don't have a partner to back them up. Now they do. Introducing the FACT MICROTM, the first commercially-available, weapon-mounted camera for pocket pistols and subcompacts. Featuring INSTANT-ON[®] Activation, the HD camera and audio will capture what really happened; and that kind of back-up is critical when you're facing a threat — and the legal aftermath that follows it.

On the CCTV you can clearly see the intruder, you can't see his weapon.

One situation, two completely different points of view.

The FACTTM Cam shows the escalation and the incident indisputably.

CCTV VIDEO SHOWS ONLY PART OF THE STORY

CCTV video footage shows a man walking into an office — apparently unarmed based on the surveillance camera's POV. However, the FACTTM camera captures video and audio footage of what really happened as the disgruntled man entered his boss' office. How would you legally defend yourself if CCTV footage cast doubt to your claim of self-defense?

WHICH WOULD YOU RATHER HAVE DEFENDING YOU?

REACTOR[®] 5 GREEN LASER + INSTANT-ON[®] HOLSTER
REACTOR[®] 5-R RED LASER + INSTANT-ON[®] HOLSTER
REACTOR[®] TL TACLIGHT WITH RADIANCE[®] + INSTANT-ON[®] HOLSTER

The threat-stopping impact of Viridian[®] now fits pocket pistols. The REACTOR R5 green laser sight is up to 50 times brighter than red lasers, with ECR[®] INSTANT-ON[®]. The REACTOR R5-R has all the same great quality and performance you expect from Viridian but with a red laser for those on a budget. The REACTOR TL, with RADIANCE[®] technology and ECR[®] INSTANT-ON[®] illuminates over twice the horizontal area for greater security after dark. Each blends seamlessly into the trigger guard for invisible profile and smooth draw, giving pocket pistols new clout when it counts.

HYBRID BELT HOLSTER

This holster is the best of both worlds — strong glass-reinforced nylon shell and comfortable leather combine to make this an outstanding outside-the-waistband belt holster.

POCKET HOLSTER Soft, yet tough pocket holster is comfortable for all-day carry and stays in your pocket when the gun is drawn (Ruger LCP and LCP II only.)

All REACTOR[®] products include a hybrid belt holster with the exception of the Ruger LCP and LCP II pistol which includes a pocket holster.

ILLUMINATOR SERIES™

WEAPON MOUNTED, LONG RANGE ACCURACY.

Viridian's® long-range illuminators deploy a high-intensity, next-gen CREE® LED technology that throws a brilliant, tactical-grade light beam far downrange. State-of-the-art optics hyper-focus the light to generate industry-leading range clarity, allowing you to confidently identify the target – either man or beast – with a high degree of confidence.

WHY GREEN?

Virtually invisible to hogs and similar prey to keep your quarry calm as you ready your shot.

WHY RED?

Non-spooking beam locates varmints and is ideal for blood tracking.

WHY WHITE?

Stunning beam for tactical and defensive situations to confidently identify the target.

WHY INFRARED (IR)?

Maximizes night-vision acuity for spot-on targeting with any Gen 1, 2 or 3 gear.

* IR models are subject to ITAR restrictions. Learn more at the Viridian website.

MERCHANDISE

BECAUSE UNEQUIPPED = UNPREPARED Gun owners of all caliber want the best accessories to outfit their firearms, and hiding them in the storeroom won't help you to keep the lights on, let alone service your customer. Get equipped with a full-range of Viridian® merchandising and display options. Remember...never sell a naked gun.

AND ACCESSORIES.

DISING

VIRIDIAN® RETAIL SHOWCASE

VIRIDIAN® RETAIL SHOWCASE - 960-0031

Viridian Retail Showcase is an aluminum and glass case featuring a locking door to securely display all packaged Viridian products. Ships completely assembled and ready for prominent placement on a counter or endcap.

VIRIDIAN® ACRYLIC DISPLAY KIT - 960-0030

Viridian acrylic display kit includes countertop display, demonstrator gun, Viridian laser/light, batteries, Launch Pad mat and 50 catalogs. Nothing sells INSTANT-ON® activation better than an easy-to-try demonstration.

VIRIDIAN® ACRYLIC DISPLAY KIT

VIRIDIAN® LAUNCH PAD - 960-0013

Viridian countertop Launch Pad demonstrates our proprietary INSTANT-ON® activation. Includes Launch Pad mat, demonstrator gun, Viridian laser/light, batteries and 50 catalogs. Nothing sells INSTANT-ON® activation better than an easy-to-try demonstration.

VIRIDIAN® LAUNCH PAD

WHAT FITS YOUR FIREARM?

BECAUSE UNEQUIPPED = UNPREPARED To help you find all the Viridian® products available for your favorite firearm, see the fitment chart and learn what Viridian® products fit perfectly on your favorite weapon, go to ViridianWeaponTech.com/FitChart to see the most up-to-date chart. If you don't see your weapon listed, never fear! We can't list them all so call our straight-shootin' staff at 800-990-9390 to learn more. Remember...never carry a naked gun.

IMPORTANT SAFETY INFORMATION RELATING TO VIRIDIAN LASER SIGHT PRODUCTS.
LASER LIGHT - AVOID DIRECT EYE EXPOSURE!

CLASS 3R LASER PRODUCTS.

CAUTION! DIRECT EYE EXPOSURE TO LASERS CAN CAUSE TEMPORARY OR PERMANENT EYE DAMAGE. DO NOT STARE INTO THE LASER BEAM. DO NOT LOOK INTO THE LASER BEAM THROUGH BINOCULARS OR TELESCOPES. DO NOT POINT THE BEAM AT MIRROR-LIKE SURFACES. DO NOT SHINE THE LASER BEAM INTO OR NEAR ANYONE'S EYES. DO NOT POINT THE LASER AT ANY PERSON, ANIMAL, OR MOVING VEHICLE, INCLUDING AIRCRAFT.

PRODUCT SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE.

WARNING: CERTAIN VIRIDIAN PRODUCTS ARE POTENTIALLY SUBJECT TO U.S. EXPORT REGULATIONS OR FOREIGN COUNTRY IMPORT REGULATIONS AND MAY NOT BE SHIPPED TO CERTAIN COUNTRIES, OR IN SOME CASES MAY BE SUBJECT TO LICENSING REQUIREMENTS FOR COMPLIANT EXPORT SHIPMENT. VIRIDIAN WILL NOT DISTRIBUTE ANY PRODUCTS IN VIOLATION OF U.S. EXPORT LAWS AND/OR REGULATIONS, INCLUDING BUT NOT LIMITED TO ITAR OR EAR. PLEASE REVIEW APPLICABLE U.S. EXPORT REGULATIONS FOR FURTHER DETAILS AND EXPLANATION. VIRIDIAN RESERVES THE RIGHT TO CHANGE OR ADJUST PRODUCT SPECIFICATIONS, CONSTRUCTION, OR FUNCTION AT ANY TIME AND WITHOUT NOTICE. PLEASE SEE VIRIDIAN WEBSITE FOR DETAILED EXPORT COMPLIANCE AND UPDATED PRODUCT INFORMATION.

AMERICAN PRODUCTS DEFENDING AMERICAN RIGHTS

EVERY American has the right to personal safety and security. We're proud to enhance this right with premium laser sights, cameras, tactical lights, illuminators, holsters, and accessories designed and built in the USA.

At our Minnesota headquarters, we develop, test, perfect and manufacture the most advanced, most effective ways to give law enforcement, security personnel and law abiding citizens every possible advantage over whatever evil they may face. We're proud of the jobs we create, the virtues we support, and the products we offer — American products that help our friends and customers achieve what may be the greatest of American freedoms: freedom from fear.
